

FOUAD MAAZOUZ

Biography

Born in 1977 in Casablanca, Fouad Maazouz lives and works between Morocco and Europe and took his first photographs at the age of 14.

It was during his studies as a graphic designer, which took him to Germany, France, Switzerland and the United States, that he developed a passion for photography. From then on, he never took his camera away from him and followed a solid training in photography.

Fouad Maazouz has received several national and international awards (Best Artist Award: TOP 25 ART FAIR 2011, Regards Croisés 2006 in Italy and 2007 in Spain, Hi Mag international photo contest 2004, News Photo magazine n°9

2003, AGFA international photo Award 2004 and 2005), and has taken part in numerous exhibitions of contemporary photography throughout Europe, in Tunisia, Mali, Egypt, Syria, Lebanon, Turkey...
